

**MUZAFFARABAD: SECRETARY INFORMATION, TOURISM & IT MADAM MIDHAT SHEHZAD PRESIDES OVER A SESSION ON E-FACILITATION CENTER IN MUZAFFARABAD.**

Meeting regarding E-Facilitation centre held today under the chairmanship of Secretary IT, the meeting was attended by Director General IT Board and Deputy Commissioner Mzd and other IT Board officials.

The Chair appreciated the work done in this regard and directed the officials to work on fast track basis to establish additional e-facilitation centers in rawalakot and Kotli divisions of AJ&K for issuing Domicile and State Subjects online from DC offices in parallel.

Talking to the forum Dr. Khalid Rafique Director General IT Board said that setting up of these facilitation centers across the State would help the government to achieve the objectives of empowering citizens by providing easy access to public services, effective, efficient, prompt hassle-free and corruption-free service delivery, greater accountability and transparency, standardization of public service delivery, extending access to un-served groups, simplifying transaction

procedures and minimizing costs to citizens. Deputy commissioner Muzaffarabad also ensured his keen support in this regard and said the project is of great value and it would also bring digitised data over manual record and it would definitely be providing services to the citizens under one roof in conducive atmosphere with automated service tracking facility in proactive manner.
